Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Farm animals are used to teach children in many ways. They can be whimsical or reasonable representations of the particular animals. Because the children are so familiar with farm animals, they already have favorites. This will cause the child to focus on completing their artwork and to also focus on their surroundings. Farm animals also offer the chance for the child to work on several different animal types at once. This will teach them to concentrate and focus.
