Dissertation Presented to the Faculty of Bryn Mawr
College in Partial, Fulfilment of the Requirements for
the Degree, of Doctor of Philosophy (Classic Reprint)
(Paperback)**

Filesize: 4.74 MB

Reviews

Good electronic book and useful one. It usually does not expense a lot of. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Annette Boyle)

Brand New Book ***** Print on Demand *****.Excerpt from Titus Pomponius Atticus, Chapters of a Biography H Dissertation Presented to the Faculty of Bryn Mawr College in Partial, Fulfilment of the Requirements for the Degree, of Doctor of Philosophy In attempting a biography of Atticus, I have considered his life under its more significant aspects. The collection and collation from Cicero s letters of facts concerning his life has been admirably done by Drumann, and it would be superfluous to give the results of an independent study where these coincide with results already published. Atticus figures in the life of his time as a representative of the propertied classes with business interests, as a typical man of leisure and culture, a promoter of intellectual activity and himself a producer of a work in historical method, and, most significantly, as the political adviser of a man of greater genius than he, to whom he was able to supply balance and insight. In the chapter on Atticus as a man of letters, I have thought it proper to introduce many of the conjectures made by scholars as to the scope and influence of Atticus literary work. While few of these can be established, the impression made by the sum of them is probably a fairer representation of Atticus position in the intellectual world than could be reached by considering only the facts susceptible of proof. The original sources for a life of Atticus are the brief biography of Nepos, the letters of Cicero to Atticus and certain dialogues of Cicero. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical...
