

Life and Limb: Perspectives on the American Civil War

By David Seed, Stephen C. Kenny, Chris Williams

Liverpool University Press. Paperback. Book Condition: new. BRAND NEW, Life and Limb: Perspectives on the American Civil War, David Seed, Stephen C. Kenny, Chris Williams, The contemporary perspectives - fiction, first-hand accounts, reportage and photographs - found in the pages of this collection give a unique insight into the experiences and suffering of those affected by the American Civil War. The essays and recollections detail some of the earliest attempts by medical professionals to understand and help the wounded, and look at how writers and poets were influenced by their own involvement as nurses, combatants and observers. So alongside the medical observations of figures such as Silas Weir Mitchell and William Keen, you'll find memoirs of writers including Louisa May Alcott, Ambrose Bierce and Walt Whitman. By presenting the wide range of frequently traumatic experiences by writers, medical staff, and of course the often ignored common foot soldiers on both sides, this volume will complement the older emphasis on military history and will appeal to readers of the evolution of medicine, of the literature the time, of social anthropology, and of the whole complex issue of how the war was represented and debated from many different perspectives. While a century...
