Reviews

These kinds of publication is everything and made me hunting ahead of time and more. I have got read through and i also am confident that i am going to gonna study yet again yet again later on. Its been printed in an extremely basic way in fact it is only after i finished reading this pdf in which in fact transformed me, alter the way i believe.

Farrar, Straus and Giroux, United States, 2014. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. A brilliant and fiercely pitched sonnet cycle about love: at once passionate, forbidden, and doomed John Berryman was an unconventional poet, but he must have surprised even himself when, in his thirties, he found he was suddenly compelled to write sonnets. It was an unusual choice even an unpopular one for a poet in a midcentury American literary scene that was less interested in forms. But it was the right choice, for Berryman found himself in a situation that called for the sonnet: after several years of a happy marriage, he had fallen helplessly, hopelessly in love with the young wife of a colleague. Passion sought; passion requited; passion delayed; and, finally, passion utterly thwarted : this is how the poet April Bernard, in her vivid, intimate introduction, characterizes the sonnet cycle, and it is the cycle that Berryman found himself caught up in. Of course the affair was doomed to end, and end badly. But in the meantime, on the page Berryman performs a spectacular dance of tender, obsessive, impossible love in his characteristic tonal mixture of bravado and lacerating shame-facedness. Here is the poet as lover, genius, and also, in Bernard s words, as nutcase. In Berryman s Sonnets, the poet draws on the models of Petrarch and Sidney to reanimate and reimagine the love-sonnet sequence. Complex, passionate, filled with verbal fireworks and the emotional strains of joy, terror, guilt, and longing, these poems are ripe for rediscovery by contemporary readers.
