The Garden (Paperback)

By Robin Craig Clark

Createspace, United States, 2010. Paperback. Book Condition: New. Amanda J Clark (illustrator). 213 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.A mystical love story for the heart and soul inspired by the Upanishads sacred writings that teach pure awareness. This one-of-a-kind book speaks directly to the heart and soul of every reader, revealing a beautiful vision of a perfect world. A love story that transcends all time and space and the illusion of separation, told in simple lyrical style with dazzling illustrations. This mystic tale weaves together a world of unity where opposites play together in a deep absorption of what is real and what is illusory. Told in four parts: The First Awakening, The Sleeping, The Dreaming and The Reawakening, The Garden mirrors the Upanishads Three States and One Reality: Waking to an outside world, Dreaming in the mind, Dissolving in deep sleep and Awakening to pure awareness. The condensed narrative contains deeper meanings so designed that each reader needs to think about the words through a sustained process of inner reflection. Each reader will discover many different levels of meaning and this will lead to their own individual awakening in The Garden....

Extensive guideline! Its this kind of very good study. It really is full of knowledge and wisdom I discovered this book from my i and dad encouraged this publication to understand.

-- Mr. Jerry Littell

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
