The legitimacy of the Hong King Chief Executive will be greatly enhanced by universal suffrage, by an election that provides the people of Hong Kong a meaningful choice of candidates representative of the voters will. This means allowing for a competitive election in which a range of candidates with different policy approaches are given an opportunity to seek the support of eligible Hong Kong voters. In regard to the ongoing pro-democracy demonstrations in Hong Kong, the United States has consistently emphasized our support for freedom of assembly and freedom of expression. The United States, as well as China, has a vested interest in preserving the system and autonomy of Hong Kong that brings stability and prosperity.
