Reviews

This pdf is indeed gripping and exciting. It is written in easy words and phrases and not confusing. Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Alayna Kuphal)

MICROECONOMICS (9TH INTERNATIONAL EDITION)

McGraw-Hill Education - Europe. Paperback. Book Condition: new. BRAND NEW, Microeconomics (9th International edition), David C. Colander, The integrated solutions for Colander's Microeconomics 9e have been specifically designed to help today's students succeed in the principles of economics course. Colander's trademark colloquial approach focuses on modern economics, institutions, history, and modeling, and is organized around learning objectives to make it easier for students to understand the material and for instructors to build assignments within Connect Plus. McGraw-Hill's adaptive learning component, LearnSmart, provides assignable modules that help students master core topics. Significant improvements in pedagogy such as reworked end-of-chapter problems, seamless integration within the Connect Plus eBook, and instant feedback on assignments will engage students in the ninth edition like never before and instill the "economic sensibility" necessary to apply economic concepts to the real world.
