Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.There is no doubt that, many an African youth has lost hope and are fed up with the difficulties in their societies. Dream again. It is worth noting that, in the 21st century, the riches of a nation is no longer determined by natural resources, military might or historical alliances but by the quality of her youth. As President Kufuor noted in his foreword; the youthful stage in life is a time for taking important decisions, which could influence your life for good or bad . No one can kill your dreams, train your self to acquire skills, set your horizons high, be positive minded and if you work hard, you would succeed in life. The book acknowledges that, in the end it comes to basic questions; ask yourself; what can I do to help myself achieve my dreams? To the society, ask what it can do to help the youth? To the policy maker, we should ask him if his policy proposals are creating the wealth of opportunities, and right environment required for youth...
